

F/LIST® LEATHER FLOORING POWERED BY BOXMARK

F/LIST® Leather Flooring, developed with one of the world's leading leather manufacturers, Boxmark. The combination of each expertise generated an outstanding innovation which will create its own unique environment within an aircraft cabin by adding elegance, sophistication and a luxurious appearance.

F/LIST® Leather Flooring is available with a customized tiling concept in a wide range of colors and structures and meets all applicable certification requirements, such as flammability and slip resistance. Additionally, a very stringent qualification program ensures that F/LIST® Leather Flooring exceeds the most demanding customer expectations.

As with all leather products, the material improves with age and develops a rich texture that looks beautifully lived in, greatly enriching the style and charisma of the aircraft cabin.

	SMOOTH LEATHER	STRUCTURED LEATHER
