

ONE-STOP SHOP REFURBISHMENT

F. LIST GMBH, from Thomasberg, Lower Austria, is a globally active provider of interior for business jets, yachts and residences, and engages more than 800 employees at eight locations in Europe, the Middle East and the Americas. As a manufacturer with EN 9100-2016, EASA Part 21G, 21J and 145 certifications, F/LIST covers the entire VIP cabin interior value chain starting from engineering over production to the final installation and certification of interior components such as plug-and-play monuments, linings and floors.

F/LIST offers a wide range of Aftermarket Services & Products around the world. We are specialized in modernization, refurbishment, modification, repair and care for executive jets. In addition to their own service and production facilities, all locations have the full capacity of the Austrian headquarters and their respective strengths at their disposal. Apart from leather-, wood-, stone- and upholstery work we offer comprehensive engineering services for any type of business aircraft. Mobile repair teams guarantee worldwide availability on short notice. F/LIST cooperates with any MRO or completion center desired by the operator.
