

# F/LIST® VINYL TILE FLOORING

F/LIST® VINYL TILE FLOORING is an innovative product combining the advantages of well-tested aircraft vinyl flooring with F/LIST's practical, maintenance-friendly tiling concept. The durable and highly resilient material with excellent water and stain resistance for exposed areas offers remarkable design possibilities which are impossible to realize with conventional vinyl flooring sold by the yard: custom tiling patterns and the combination of different prints in durable and easy-care vinyl result in a convenient, yet aesthetic flooring solution.

MINIMUM THICKNESS	20,3 mm [0.8"]
MINIMUM WEIGHT*)	8,9 kg/m <sup>2</sup> [1.82 lb/ft <sup>2</sup> ]
MAXIMUM VINYL TILE SIZE	50 cm x 50 cm [20" x 20"]
MAXIMUM CARRIER PANEL SIZE	2,40 m x 1,20 m [8.2 ft x 3.9 ft]

\*) Weight and thickness excluding spacer and fastening system; weight stated is a typical value; actual weight depends on tiling concept and aircraft type

## PRODUCT CHARACTERISTICS

- Aircraft vinyl surface material
- Slip resistance & durability equal to conventional aircraft vinyl flooring products
- Acoustic performance rivals that of carpet flooring
- Significant durability in service
- Panel connected using a specifically developed fastening system for easy installation and removal – reduces downtime and maintenance costs
- Single tile replacement possible
- Simple cleaning process
- Combination with F/LIST® STONE, WOOD and LEATHER FLOORING possible to create an individual design
- CUSTOMIZATION POSSIBILITIES:
  - Combination of different wood & stone textures from a selection of 19 available prints
  - Custom tiling concepts, e. g. herringbone, squares, basket weave, planking
- SUGGESTED APPLICATION AREAS:
  - Entrance
  - Lavatory
  - Galley
  - Main cabin (partly)
