Variances not clearly visible or which can be detected only by using measuring devices are explicitly excluded from this Limited Warranty. Settling of floors, sub-structures, cabinets and changes in ambient conditions might result in misalignment of installed products, opening of seams and joints, and gaps where products meet each other and meet walls, none of which are covered by this Limited Warranty.
9. The substructure must fulfill the following criteria, otherwise damages to the Carbon Flooring are not covered under this Limited Warranty:
  - 9.1. Surface must be 100% even.

11. Consequential, incidental, minor, or indirect damages of any kind are expressly not covered under this Limited Warranty. Therefore, items excluded from this Limited Warranty include – but are not limited to – fabrication costs, costs to un-install or re-install, plumbing, electrical work, tile, wall treatments and coverings, delivery charges, loss of use, and any other costs or forms of compensation. F/LIST’s maximum liability under this warranty arising out of the sale of other products or installation services, based upon warranty or contract, shall never exceed the actual payments received by F/LIST in connection therewith.
12. Some products sold by F/LIST may have a limited warranty provided by a third-party manufacturer or vendor. All products which do not include a warranty by manufacturer or vendor are sold AS IS and without warranty. F/LIST shall notify customer if a product is not covered by manufacturer or vendor warranty.
13. The rectification of a defect shall be performed by F/LIST. F/LIST decides at its discretion whether to repair or replace a defective item. In the event that the rectification of a defect is performed by customer or a third party without the prior written consent of F/LIST, customer is deemed to have waived all rights concerning the particular item arising out of warranty or whatever legal ground.
14. In order for customer to file a claim under warranty on time customer shall file a written notification to F/LIST in which it shall specify in reasonable detail the potential defect within the warranty period and (i) F/LIST and customer may either agree in writing about the respective warranty issue within the warranty period or (ii) customer shall file a claim to the competent court as stated in F/LIST’s General Terms and Conditions within 30 days after the lapse of the warranty period, in case the parties are unable to find an amicable solution as set forth in (i).
15. The following guidelines in Sections 16 through 24 are intended solely to clarify certain properties, characteristics, or conditions associated with products delivered by F/LIST. They do not represent all of the properties, characteristics, or conditions which may or may not be covered or which may be explicitly excluded from coverage under this Limited Warranty.
16. **Finish:** Your Carbon Flooring will come with a satin finish. F/LIST warrants to the customer that the factory applied finish of the Carbon Flooring will not wear through or will not lack finish adhesions as a result of normal use. A change of gloss as a result of cleaning or normal use is expressly not covered under this Limited Warranty.
17. **Surface irregularities:** Carbon Flooring characteristics such as variations in weave pattern, fiber alignment, color, normal differences between color of samples and the color of installed flooring and color variations from panel to panel are not deemed to be defects, and are not covered under this warranty.
18. **Defects:** Splits, cracks, checking, edge fracturing, splintering or chipping that occurs during or after the flooring has been installed and as a result of abuse, misuse, improper maintenance or care, exposure to excessive moisture or improper environmental conditions (i.e., low or high humidity) are not covered under this Limited Warranty.
19. **Seaming:** The placement of seams (including the use of “rails”) is solely at the discretion of F/LIST and not covered by this Limited Warranty. Such placement will be discussed between F/LIST and the customer at the time of template and finalized during engineering. Seams will be visible to the eye and touch. Every effort will be made to ensure the seam is placed in the best location for the structural integrity of the Stone Product and to make it aesthetically pleasing. Due to the weave pattern of Carbon fabrics, it is not possible to guarantee a match in color, weave pattern (including the direction of fibers/yarns) or finish when seaming two pieces together.
20. **Temperature and Moisture Resistance:** The F/LIST Carbon Flooring is engineered to withstand the effects of normal moisture or arid conditions. If properly installed and maintained in strict accordance with the F/LIST installation and maintenance instructions, F/LIST warrants against damage caused by normal moisture or arid conditions. Carbon Flooring supplied by F/LIST is tested by several temperature variations and run through humidity tests to meet the environmental requirements. However, materials may react with ambient conditions. Changes and defects due to the hygroscopic behavior or due to temperatures change are deemed a physical property of materials and are specifically excluded from this Limited Warranty.
21. **Accidents, Abuse or Abnormal Wear:** This Limited Warranty does not cover damage resulting from accidents, uses, or abuses that stain or scratch finish, diminish/change gloss, or indent the surface of the Carbon Flooring. This Limited Warranty also does not cover damage caused by heavy items or concentrated foot traffic, pebbles, sand or other abrasives, impact, scarring, denting, extreme heat, damage from moisture caused by wet mopping, spills or standing water, and other abnormal wear and tear. Also excluded from this Limited Warranty is damage or defect caused by shoes in need of repair, spike heels, spikes or golf cleats.
22. **Indentations from High-Heeled Shoes:** A high-heeled shoe can concentrate as much as 2,000 pounds per square inch on a floor. Therefore, walking on any Carbon surface in high-heeled shoes is considered abusive and any damage to the Carbon Flooring due to high-heeled shoes is explicitly excluded from this Limited Warranty.

### Care and Cleaning

23. **Staining:** Spills of fluids have to be removed immediately to avoid staining. When properly maintained, the Carbon Flooring is generally quite stain-resistant to common beverages and foods (except for water with dissolved substances like sugar, salt and/or dye (e.g. wine, certain sodas, and similar liquids), oil and grease (e.g. cooking oil, nuts, and similar). When stains from such substances occur, it is generally not possible to remove them, and such stains are explicitly excluded from this Limited Warranty. Also, avoid strong chemicals and solvents. Do not use items such as nail polish remover, permanent markers, inks, oil soaps, furniture cleaners, paint strippers or any kind of disinfectants and alcohol on the Carbon Flooring. Avoid using high alkaline/PH level cleaners, such as oven cleaners on the Carbon Flooring. All these fluids may impact the surface coating and affect the surface appearance, including, but not limited to, the gloss. Staining caused by chemicals and solvents is explicitly excluded from this Limited Warranty.
24. **Cleaning:** For correct cleaning of your Carbon Flooring, please refer to the F/LIST Cleaning & Maintenance Instruction in its current version. Any damage or defect caused by the use of non-recommended products, misuse of any cleaning products or by not following the cleaning instructions is explicitly excluded from this Limited Warranty.

Any dispute arising out of the formation, performance, interpretation, nullification, termination or invalidation of these terms and conditions or the respective contract, or arising therefrom or related thereto in any manner whatsoever, shall be finally settled by the courts of the Province of Quebec, judicial district of Montreal. Notwithstanding the foregoing, F/LIST reserves the right to file a suit against the customer at his general place of jurisdiction. However, F/LIST is also entitled to file a suit against the supplier at the supplier’s general place of jurisdiction.
26. The laws of the Province of Quebec and the laws of Canada applicable therein shall apply exclusively excluding the UN Convention on the International Sale of Goods (CISG) and the conflict of laws provisions.
